

## Application to seeking Permission to Connect Personal Notebook Computers to UCSC Network through Wi-Fi

### Personal Details

**Full Name:** SCP. Peiris  
**Student ID:** 2016IS065  
**NIC:** 958232322V  
**Contact No:** 0778943570  
**E-mail:** chariniprashadini1118@gmail.com

### Laptop Details

**Laptop Brand:** DELL  
**Laptop Model:** Inspiron 5570

### Wi-Fi Adaptor Details

**Adapter Model:** Qualcomm QCA9377 802.11ac Wireless Adapter  
**Adapter MAC:** dc:a2:66:0e:ba:c7

### LAN Adaptor Details

**Adapter Model:** Realtek PCIe FE Family Controller  
**Adapter MAC:** 54:bf:64:37:f6:70

I understand that connecting personal devices to UCSC LAN through modes other than Wi-Fi is prohibited. Further I undertake to ensure the safety of all equipments installed in the network during the time made available to me from my use and assure that I will not misuse the facility extended to me. I will also abide by the laws and regulations of the UCSC in this regards.

I am aware that if I do not comply with the above conditions, this facility will be withdrawn immediately & disciplinary action will be taken appropriately by the UCSC.
